BLK

Metal free

Metal free safety shoes are in general lighter than regular safety shoes. They are also very beneficial for professionals who have to pass through metal detectors several times a day.

3D mesh

Three-dimensional produced distance mesh to provide increased moisture and temperature management.

Breathable leather upper

Natural leather provides a high degree of wearer comfort combined with durability in versatile applications.

Composite toecap

Metal free and lightweight, no thermal or electrical conductivity

Self-cleaning outsole

Self-cleaning outsoles are designed to reduce clogging of the profile.

Non-marking outsole

Non-marking outsoles do not leave color marks on the ground.

Industries:

Assembly, Automotive, Industry, Logistics

Environments:

Uneven surfaces, Extreme slippery surfaces, Wet environment

Maintenance instructions:

To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
