BLK

### Metal free

Metal free safety shoes are in general lighter than regular safety shoes. They are also very beneficial for professionals who have to pass through metal detectors several times a day.

### 3D mesh

Three-dimensional produced distance mesh to provide increased moisture and temperature management.

### Breathable leather upper

Natural leather provides a high degree of wearer comfort combined with durability in versatile applications.

### Composite toecap

Metalfree and lightweight, no thermal or electrical conductivity

### Self-cleaning outsole

Self-cleaning outsoles are designed to reduce clogging of the profile.

### Non-marking outsole

Non-marking outsoles do not leave color marks on the ground.

**Industries:**

Assembly, Automotive, Industry, Logistics

**Environments:**

Uneven surfaces, Extreme slippery surfaces, Wet environment

**Maintenance instructions:**

To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
