All-round protection
These gloves offer great all-round protection, keeping your hands safe in many different environments.

Double layer coating
These gloves have two layers of coating: the first layer offers superior protection, while the second provides excellent grip, even in wet or humid conditions.

Extraordinary grip
You'll have a firm hold on objects whether they are dry, wet, or oily, thanks to the exceptional grip these gloves provide.

High dexterity
These gloves are made from the thinnest knit material available, ensuring the highest level of dexterity, comfort and protection.

Water repellent
Keeps your hands dry by repelling water and moisture.
