LKH

Breathable, perforated upper

Increased moisture and temperature management for extended wearer comfort in dry working environments.

Removable insole

Renew your insole at a regular base or use your own orthopedic insoles for a higher comfort.

Heel energy absorption

Heel energy absorption reduces the impact of jumps or running on the body of the wearer.

SJ Foam

Removable comfortable antistatic footbed providing fit, guidance and optimum shock absorption in heel and forefoot. Breathable and moisture absorbing.

Environments:

Dry environment, Uneven surfaces, Warm surfaces

Maintenance instructions:

To extend the life of your shoes, we recommend to clean them regularly and to protect them with adequate products. Do not dry your shoes on a radiator, nor nearby a heat source.
