770

#### Breathable

The fabric allows moisture vapor to escape, keeping you dry during physical activities.

#### Hybrid design

A hybrid design to balance insulation and freedom of movement.

#### Durable ripstop fabric

This item is made from ripstop fabric. It is designed to resist wear and tear through a special textile fiber-weaving technique.

#### Recycled materials

This item is made from recycled materials. By choosing clothing made from recycled materials, you are supporting sustainable and clean production practices.

#### Industries:

Assembly, Automotive, Catering, Chemical, Cleaning, Construction, Food & beverages, Industry, Logistics
