#### Air vent system

This item has zippered vents under the armpits to help you get rid of excess body heat.

#### Breathable

The fabric allows moisture vapor to escape, keeping you dry during physical activities.

#### Durable ripstop fabric

This item is made from ripstop fabric. It is designed to resist wear and tear through a special textile fiber-weaving technique.

#### Recycled materials

This item is made from recycled materials. By choosing clothing made from recycled materials, you are supporting sustainable and clean production practices.

#### Industries:

Industry, Catering, Automotive, Construction, Logistics, Cleaning, Chemical, Assembly, Food & beverages
