NAV

### Air vent system

This item has zippered vents under the armpits to help you get rid of excess body heat.

### Breathable

The fabric allows moisture vapor to escape, keeping you dry during physical activities.

### Comfort fit

An ergonomically perfect fit offers significantly more freedom of movement.

### Durable ripstop fabric

This item is made from ripstop fabric. It is designed to resist wear and tear through a special textile fiber-weaving technique.

### Recycled materials

This item is made from recycled materials. By choosing clothing made from recycled materials, you are supporting sustainable and clean production practices.
