

TSAVO

Anti-fog safety glasses with removable foam padding for extra comfort and protection

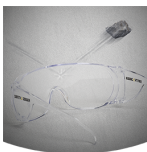

Robust yet comfortable safety glasses suitable for more demanding applications. The **removable foam padding** provides additional protection by keeping out dirt, airborne particles and eye irritants. Tsavo is treated with an **anti-fog coating** on both sides and **protects against harmful UV light**.

- Polyamide temples
- Polycarbonate lens
- Detachable foam insert
- Lens color: clear
- Optical filter: 2-1,2
- Impact resistance: F (45 m/s)
- Coating: anti-fog coating
- Weight: 35 gr

335

Headband	N/A
Lenses	Polycarbonate
Frame	Polycarbonate
Temples	Polyamide
Category	Protection against high speed particles at extremes of temperature - low energy, Resistance to surface damage by fine particles, OF2 - Optical Filter 2 - 1,2, AF
Size range	EU UNI
Sample weight	0.030 kg
Norms	EN 166:2001

Impact protection

The shatter-resistant lens protects the eyes against impact hazards.

Anti-fog coating

The special lens coating prevents fogging in wet and humid conditions.

UV protection

The lens filters UV light up to 385 nanometers.

Foam-lined frame

Foam lining provides higher protection against dust and liquids.
