

TSAVO SUN

TSAVOSUN

Anti-fog sunglasses with removable foam padding for extra comfort and protection

Robust safety sunglasses for more demanding outdoor applications. The **removable foam padding** provides additional protection by keeping out dirt, airborne particles and eye irritants. Tsavo Sun is treated with an **anti-fog coating**, protects against harmful **UV light** and does not distort **colors**.

- Polyamide temples
- Polycarbonate lens
- Detachable foam insert
- Lens color: grey
- Optical filter: 5-2,5
- Impact resistance: F (45 m/s)
- Coating: anti-fog coating
- Weight: 35 gr

335

Headband	N/A
Lenses	Polycarbonate
Frame	PVC
Temples	Polyamide
Category	Protection against high speed particles at extremes of temperature - low energy, Resistance to surface damage by fine particles, OF5 - Optical Filter 5 - 2,5, AF
Size range	EU UNI
Sample weight	0.030 kg
Norms	EN 166:2001

Impact protection

The shatter-resistant lens protects the eyes against impact hazards.

Anti-fog coating

The special lens coating prevents fogging in wet and humid conditions.

UV protection

The lens filters UV light up to 385 nanometers.

No color distortion

Colors are shown as they are, without any distortion.

Foam-lined frame

Foam lining provides higher protection against dust and liquids.
